Principal
Government Arts College, Bayad

Subject: Letter of Appreciation for Successfully Conducting Interpersonal Skill Development Sessions

Respected Sir,

We take this opportunity to express our sincere appreciation and heartfelt gratitude to you for your valuable support, encouragement, and guidance extended towards the successful conduct of the skill development programme organised under the **UDISHA – Placement Cell**.

Your positive approach and academic vision greatly contributed to the smooth planning and effective implementation of this programme, which aimed to enhance students' employability skills, interpersonal abilities, and career readiness. Your motivation and administrative support inspired both faculty members and students to actively participate and derive maximum benefit from this initiative. Moreover, the highlights of your experience gained at distinguished universities of England—namely, the University of Oxford, the University of Cambridge, the University of York, and the University of Leeds—and your sincere appeal to students to integrate the pedagogical and scientific temper of England with Indian values were truly inspiring.

The programme proved to be highly beneficial for students, providing them with practical exposure and confidence required for future career opportunities.

We deeply appreciate your continuous efforts in promoting skill-based learning and strengthening placement-oriented activities within the institution. We remain grateful for your guidance and look forward to organising many more such meaningful programmes.

With highest regards,

Yours sincerely,

અસિદી શિક્ષણ અને વહીવટી કોષ્ટક
મેઘરાજ, જિ. અરવલ્લી.
